

# 100,000 DIAPERS FOR BROOKLYN FAMILIES

Building community  
Raising awareness  
Creating a support network

**Cost** \$10,000  
**Location** Three publicly-accessible D39 locations  
**Project Partner** The Brooklyn Diaper Project

**Who Benefits**  
District 39 families and care providers.

**Project Description**  
The Brooklyn Diaper Project partners with community organizations to put diaper dispensers in communal public locations. This makes free, eco-friendly diapers accessible to families in need while also building community, raising awareness, and creating support networks, bringing Brooklyn closer to ending diaper need via sustainable, community-organized solutions.
