### Who Benefits

This will be a safe space for everyone, from kids to adults of all ages. BSG fosters the need for an all inclusive skatepark and garden. Let's make Brooklyn a skateboarding mecca for this growing Olympic sport.

### Project Description

Brooklyn Skate Garden is for skateboarding and much more. It's a pioneering movement fostering green parks that provide safe opportunities to skate, visit & steward our public spaces. These funds will help jumpstart our project and bring it closer to becoming a reality.
