

PROSPECT PARK CHILDREN'S CORNER IMPROVEMENTS

Revitalize of this popular area of the park by resurfacing pathways for better accessibility, restoration of the Carousel's Historic Wurlitzer Organ, and the installation of a new drinking fountain.

Cost	\$425,000
Location	Children's Corner in Prospect Park, located near the Flatbush Avenue/Empire Blvd Entrance
Project Partner	New York City Department of Parks & Recreation

Who Benefits

Our friends and neighbors who together make over 10 million annual visits to "Brooklyn's Backyard", especially those visiting the Carousel, Lefferts Historic House, Prospect Park Zoo, and Audubon Center.

Project Description

The beloved Children's Corner is one of Prospect Park's most popular destinations. Improvements such as safe and accessible pathways, a new drinking fountain, and restoration of the carousel's historic Wurlitzer organ would be enjoyed by visitors for years to come.
